Working Relationships With Other Agencies (MOU’s)

The YCCD maintains a working relationship with agencies surrounding YCCD facilities and has memorandums of understanding with the Yuba County Sheriff’s Department, Yuba City Police Department, Clearlake Police Department, Marysville Police Department, Williams Police Department, Woodland Police Department, and County of Yuba Office of Emergency Services.

YCCD Officers have participated in:

Yuba Sutter Anti Gang Enforcement, (YSAGE)
- The mission of the YSAGE is to reduce gang violence in Yuba and Sutter Counties through proactive enforcement efforts, intelligence gathering, and improved communication.

The collaborative allows the pooling of resources, so two or more times per month we can saturate the region with 30-40 officers with the specific aim of targeted gang enforcement and conducting associated investigative follow-up. This concept is now spreading to additional counties in Northern California, with one of our (YCPD’s) resident Gang Investigators as the elected coordinator of the wider-area cooperative.

Network to create a delivery system and measures to track ongoing efforts. Coordinate with others for purposes of prevention, intervention, and enforcement in both counties. Create a circle of support. Coordinate efforts with groups and individuals already working on gang related issues.
Campus Security for Non-Campus Locations
YCCD PD monitor and record criminal activity at non-campus locations and may work cooperatively with local law enforcement agencies in the campuses jurisdictions. The Office of Student Affairs to address problems as they arise.

Campus Security for Satellite Locations and Occasional Instruction Sites
YCCPD has four satellite learning centers: Colusa County Outreach Facility, Sutter Beauty College, Beale AFB and the Sutter County Center. These locations have local police that patrol the surrounding vicinities. In addition to these four sites, YCCD uses non-campus locations for off-campus credit and non-credit courses. The police departments serving their respective communities police these non-campus/off-campus locations.

YCCD Police Education and Prevention
YCCD PD encourages members of the community to assist in preventing crime by minimizing opportunities to become a victim by using good judgment and safety practices and by encouraging students and employees to be responsible for their own and others’ security. The District Police provided education and crime prevention information to Students, Staff and Faculty during numerous events such as convocation, student orientation, and organized public forums.

Timely Warning Notices

The Clery Act requires Title IV institution, without exception, to have and disclose emergency response and evacuation procedures in response to significant emergency or dangerous situation immediate threat to the health or safety of students or employees occurring on the campus. The timely warnings are to address threats to the YCCD community.

The campus crime alert is designed to give students, staff, and faculty a timely notification of crimes, to heighten safety awareness, and to seek information that will lead to the arrest and conviction of perpetrators who commit violent crimes against persons or major crimes against property. The Yuba Community College District will issue a Crime Alert Bulletin when a crime is reported to the Yuba Community College District Police Department or local police jurisdiction that represents a serious or continuing threat to the safety of the campus community.

A threat is defined as any act or potential act that places the campus community in continuing risk or peril, as a result of a crime(s) against persons or serious felony (i.e. threats with a firearm, a bomb threat with specific information, sexual assault, kidnapping, or other egregious acts).

Crime Alerts will be distributed to the campus community using various mediums of communication. The Yuba Community College District Police Department and the Public Information Officer in coordination with campus and District administrators are responsible for assessing the need for and the distribution of the Crime Alerts. Situations will be assessed on a case-by-case basis, with great weight given to the Yuba Community College District Police Department's assessment of the total situation, including the best use of resources. The type of event or situation will be reviewed by the Yuba Community College District Police Department and the Public Information Officer to determine the most effective method to distribute the crime alert information.

When there is a possible public safety related "threat" to faculty, staff, and students on campus, the Yuba Community College District Police and the Public Information Officer will make reasonable efforts to notify the faculty, staff and students via one or more of the following methods:

- Crime Alert Bulletins (timely warnings) will be sent to faculty, staff, and students via e-mail.
- Crime Alert Bulletins will be posted on the Yuba Community College District Police Department Web site.
- To notify students, faculty will be asked to make announcements in their classes.
- Crime Alert Bulletins may be put at the entrances to major student-gathering places (i.e., Library, Learning Resource Center, Student Services, Cafeteria etc.), and/or on buildings that are directly impacted by the event.
YCCDPD Officers will determine whether the notice of threat will be made on campus only or disseminated to off campus sources.

- The YCCDPD will notify the media, as appropriate, in order to inform the campus community.

Crime Alert Bulletins will be posted or distributed as soon as practical or within 48 hours of the event, depending on the severity of the event, resources, and the factual information gathered. Crime Alert Bulletins will be removed in a timely fashion after the event has subsided or the potential for danger is gone.

Crime Alert Bulletins will contain:

- A succinct statement of the incident (who, what, when, where, how, time reported etc.)
- Any bias motive
- Any connection to previous incidents
- Physical description of the suspect
- If relevant, gender of the victim and student/non student status
- Date and time the bulletin was released
- Safety tips related to the prevention of similar crimes
- Campus/site identifier and associated report number
EMS-YCCD Emergency Messaging System: Catapult

Safety of Buildings and Grounds

The YCCD buildings are monitored and patrolled by District Police, as well as Maintenance and Operations Staff. The Police Department regularly patrols campus and reports malfunctioning lights and other unsafe physical conditions to the Maintenance and Operations Staff for correction.

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. Campus lighting typically meets or exceeds the industry standard for pedestrian walkways. Shrubbery and other vegetation are kept trimmed to avoid obstructing visibility. Parking lots throughout campus are well lit and routinely patrolled by the District Police. In addition, the parking lots on each campus are equipped with a communication system that is connected to 911. Other members of the YCCD community are helpful when they report equipment problems to YCCDPD or to Facilities Management. Possession and use of weapons are prohibited on the YCCD campuses.
Fire Safety

Take fire alarms seriously and evacuate quickly and calmly! Touch closed doors, and do not try to open them if they are hot. Do not use elevators—take the stairs. Move away from fire and smoke. Close doors and windows if time permits. Pull an alarm as you leave the building, if one has not already been pulled.

If a member of the YCCD community believes that a student is missing, he or she should immediately notify the YCCDPD by calling 530-741-6771 or 530-661-5722 or 911 and the agency will investigate, generate a missing person report, enter relevant student data into an appropriate database and involve other law enforcement agencies as necessary. The missing student protocol will be activated within 24 hours of the determination the student is missing. The YCCDPD will notify the person identified by the student as the “missing person contact”. Only authorized campus officials and law enforcement officers may have access to this information. If the missing student is under 18 years of age, and is not an emancipated individual the YCCDPD will notify the student’s parent or legal guardian that the student is considered missing. In the event the student has not registered a contact person, law enforcement will be notified that the student is missing and proceed with the investigation.

ALCOHOL AND DRUG POLICIES
Each year, college students spend about $5.5 billion on alcohol, mostly beer. This is more than they spend on books, soda, coffee, juice, and milk combined. Although often viewed as a “social lubricant”, alcohol can quickly deteriorate social relations. Alcohol also has other consequences, including: increased risk of accidents, homicide, suicide, physical injury, sexual assault, and psychological and behavioral problems. These are in addition to the legal, health and academic risks of abuse. These same risks hold true for alcohol or drug-impaired faculty and staff.
If you decide to drink, the following tips may help prevent unwanted problems:

Remember, the legal drinking age is 21. Underage drinking puts you at risk for sanctions. Set your own alcohol limit and stick to it. Pace your drinking. Designate a nondrinker in your group. This person can watch out for potential problems, including excessive drinking. Don’t leave your group of friends, and don’t put yourself at risk by leaving with a new acquaintance. Monitor your drink at all times. Do not drink “punches” or other drinks that you did not see made. Discard your drink if it has been left unattended for any length of time. Consider your use patterns.

Getting a Person to Seek Help
Alcohol/Drug abuse is often characterized by denial: here are a few hints for getting the message across:
Talk with the person when they are sober. Give facts, not lectures. Do not make or accept excuses for drug affected behavior. Identify benefits of seeking help, and the consequences of not seeking help. Show honest concern and patience. Be prepared with information and referrals. Seek assistance in helping this person. Do not rescue; let the person clear up his/her own mistakes and assume responsibility for his/her drinking using behavior.

Laws and Campus Policies
Campus policy and state law forbid unlawful manufacture, distribution, dispensing, possession, use, or sale of alcoholic beverages or controlled substances by employees and students in the workplace, on College premises, at official College functions or on College business. Specific restrictions can be found in the following sources:

Student Handbook: Rights, Responsibilities, & Procedures

The Federal Drug Free Workplace Act of 1988 (Public Law 100-690, Title V, Sub D)
Drug Free Schools and Communities Acts of 1989
California State Drug Free Workplace Act of 1990
Business and Professions Code Section 25608, Possession of any alcoholic beverage while on school grounds.

The District is committed to providing its employees and students with a drug-free workplace and campus environment. It emphasizes prevention and intervention through education. The following program has been adopted to implement this policy: The Student Code of Conduct, supported by Education Code Section 60041, prohibits the unlawful possession, use, or distribution of illicit drugs and/or alcohol by students on its property or as part of any of its activities.

Information regarding applicable legal sanctions under local, State, and Federal law for the unlawful possession or distribution of illicit drugs and/or alcohol is available to all students through the District Police Department.

Educational materials regarding the health risks associated with the use of illicit drugs and the abuse of alcohol are made available to all students through the District Counseling Services. Information regarding resources for drug or alcohol counseling and treatment are also available through the District Counseling Services.

The Chief Student Services Officer of the college/campus will keep records of all disciplinary actions and evaluate consistency of all enforcement.

Prohibition of Drugs
The unlawful manufacture, distribution, dispensing, possession, or use of alcohol or any controlled substance is prohibited on District property, during District-sponsored field trips, activities or workshops, and in any facility or vehicle operated by the District. Violation of this prohibition will result in appropriate action up to and including termination of employment, expulsion, and referral for prosecution, or, as permitted by law, may require satisfactory participation in an alcohol or drug abuse assistance or rehabilitation program. As a condition of employment, employees must notify the District within days of any conviction for violating a criminal drug statute while in the workplace. The District is required to inform any agencies that require this drug-free policy within ten days after receiving notice of a workplace drug conviction.

SEXUAL ASSAULT POLICIES

Sexual assault prevention, education, policy, and procedures are governed by the Yuba Community College District Campus Student Policy and Procedures Regarding Rape and Sexual Assault. This policy describes in detail prevention and education programs around the topic of sexual assault, as well as procedures for dealing with incidents after they have occurred. Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student disciplinary procedures. (See also, AP 5500, Standards of Student Conduct.)

"Sexual assault" includes but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault. All students, faculty members, or staff members who allege they are the victims of a sexual assault on District property shall be provided with information regarding options and assistance available to them. Information shall be available from the Yuba Community College District Police Department, which shall maintain the identity and other information about alleged sexual assault victims as confidential unless and until the Yuba Community College District Police Department is authorized to release such information.

The Yuba Community College District is committed to creating and maintaining an environment in which all persons who participate in College programs and activities can work together in an atmosphere free of all forms of harassment, exploitation, or intimidation. The YCCD will take appropriate action to prevent, correct, and discipline behavior that is found to violate campus policy or regulations proscribing rape or sexual assault (hereafter in referred to as sexual assault).

Campus Procedures for Responding to Sexual Assault

This section outlines the procedures the campus follows in responding to reports of sexual assault allegedly committed by students. It assumes that the incident occurred on or near campus (at an official College function or on College property). However, many of the procedures and services described here also apply if the incident happened off-campus or if the individual reporting the assault is not a student.

When an incident is reported to any unit providing sexual assault resources on campus, the person to whom the report is made shall inform the student of her or his option to notify local law enforcement authorities, including the Yuba Community College District Police Department. The student shall also be informed of the importance of preserving evidence required for proof of possible criminal activity, and of the availability of the institutional personnel to assist the student in notifying the authorities of the incident, upon the student’s
request. Finally, the student shall also be informed of the existing on and off campus counseling, mental health, and other student services as outlined below.

The campus provides confidential and trained assistance to individuals reporting a sexual assault. Primary assistance is given through Student Health Services. Student Health Services offers both immediate and ongoing response to students, including confidential crisis counseling, assistance, and advocacy with the initial medical evaluation, and academic and housing issues. Student Health Services also provides general medical care for students who report being sexually assaulted. Other services include treatment for injuries, testing for pregnancy, sexually transmitted disease, and HIV. However, the YCCD does not provide medical evidence collection. For this procedure, the patient would be referred to a community emergency room.

Off-campus resources include local physicians, hospitals such as Rideout Hospital (located in Marysville), and local law enforcement authorities, such as the Yuba County Sheriff’s Department, Woodland Police Department and Clear Lake Police Department.

If the student is willing to report the incident to the Yuba Community College District Police Department, she or he is informed that medical evidence can be collected at the same time as medical care is provided. However, without a police report, medical evidence for a criminal prosecution cannot be collected. Under these circumstances, the student is informed that the state will bear the cost of the medical exam and is instructed not to bathe, shower, or douche so that important medical evidence can be preserved.

Although the student is not required to notify any law enforcement authority regarding the incident, the person to whom the report is made shall contact the Yuba Community College District Police Department to inform them that a sexual assault may have occurred. The YCCDPD in turn shall notify the Title IX Compliance Officer, who is responsible for coordinating the campus’s response to the incident. Licensed mental health workers, who learn about sexual assault as part of their professional roles, are not required to violate confidentiality. Anonymous summary statistical information will be reported.

After the YCCDPD is contacted, a uniformed officer will be dispatched to initiate an investigation. The local law enforcement jurisdiction will be notified by the YCCDPD. With the consent of the student, a full police report will be taken by a police officer who accompanies the student to the hospital. At the request of the student, a friend, family member, or other designated person may be present. The officer will advise the student regarding hospital procedures and the availability of assistance through Student Health Services. The YCCDPD will assist the local law enforcement jurisdiction with the investigation and YCCD will explain the legal process to the student. The completed investigation shall present a completed written investigation to the District Attorney’s Office for review and if/or further charges need to be filed.

If the student is unwilling to report the matter to the police or to be transported to the hospital by the police, she or he is then urged to seek assistance immediately from Student
Health Services for coordination of medical care, counseling, and other available support alternatives. The student may request changes in her or his academic situation or in that of an alleged assailant, after the student has made a report of an assault, and the campus shall grant any reasonable request for such change.

When a student reports being sexually assaulted by another student, the Vice-President of Academic and Student Services Office or Campus Dean, at the direction of the Title IX Compliance Officer, shall conduct a timely investigation of the allegations in the case and interview any witnesses as needed. The determination of whether to proceed with charges in a sexual assault case is the joint decision of the Vice-President of Academic and Student Services Office or Campus Dean and the Title IX Compliance Officer, in consultation as needed with the Police Department, with final authority residing with the Title IX Compliance Officer. When formal charges are brought against the accused student by the College, the case shall either go to a hearing for adjudication or an administrative disposition settlement agreement shall be negotiated.

The individual charged with sexual assault is entitled to due process and will be given notice and a full opportunity to respond to the allegation made against her or him. The individual can seek representation, may have the same opportunity as the student who reported being assaulted to have a non-participating observer present during the proceedings, and is entitled to information about the campus policy on rape and sexual assault and the procedures that will be followed. If the Vice-President of Academic and Student Services Office or Campus Dean imposes disciplinary sanctions, the student who reports being sexually assaulted is informed of the outcome, and the charged student may appeal the action as set forth in the Campus Code of Student Conduct.

When a student who reports being sexually assaulted files charges with the Yuba Community College District Police Department, the criminal investigation and the campus judicial investigation are coordinated but independently conducted, occurring simultaneously or sequentially, on a case-by-case basis.

Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. (See also, AP 5500, Standards of Student Conduct.)

Any victim of sexual assault should notify the District Police Department as soon as possible. The District Chief of Police shall provide all alleged victims of sexual assault with the following upon request:

- A copy of the District's policy and procedure regarding sexual assault;
• A list of District personnel who will be notified of the assault and procedures for such notification, if the alleged victim consents;

1. Chief Student Services Officer of the college/campus and the College Nurse if the victim is a student or a visitor.
2. The Director of Personnel Services and Human Resources Development, the Chief Student Services Officer of the college/campus, and the College Nurse if the victim is an employee.

• A description of available services, and the persons on campus available to provide those services if requested. Services, and those responsible for providing or arranging them, include:

1. Arrange for transportation to a hospital, if necessary;
2. Counseling or referral to a counseling center;
3. Notice to the police;
4. A list of other available District resources or appropriate off-campus resources.
5. California Victim Compensation Program www.victims.ca.gov (1-800-777-9229);
6. California Coalition Against Sexual Assault http://www.calcasa.org (916-446-2520);
7. The National Women’s Health Information Center www.womenshealth.gov (1-800-994-9662)

• A description of each of the following procedures (by Chief Student Services Officer of the college/campus if victim is a student, by Director of Personnel Services and Human Resources Development if victim is an employee and by Chief of Police if victim is a visitor):

1. Criminal prosecution;
2. Civil prosecution (i.e., lawsuit);
3. District disciplinary procedures, both student and employee;
4. Modification of class schedules;
5. Tutoring, if necessary.

All alleged victims of sexual assault on District property shall be kept informed, through the Chief Student Services Officer of the college/campus, if the victim is a student, Director of Personnel Services and Human Resources Development if the victim is an employee, or District Chief of Police if the victim is a visitor, of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeal; alleged victims of sexual assault are required to maintain any such information in confidence, unless the alleged assailant has waived rights to confidentiality.

The District shall maintain the identity of any alleged victim or witness of sexual assault on District property, as defined above, in confidence unless the alleged victim or witness specifically waives that right to confidentiality. All inquiries from reporters or other media representatives about alleged sexual assaults on District property shall be referred to the District's Chief Student Services Officer of the college/campus who shall work with the District Chief of Police to assure that all confidentiality rights are maintained.
Additionally, the Annual Security Report will include a statement regarding the District’s programs to prevent sex offenses and procedures that should be followed after a sex offense occurs. The statement must include the following:

- A description of educational programs to promote the awareness of rape, acquaintance rape, and other sex offenses;

- Procedures to follow if a sex offense occurs, including who should be contacted, the importance of preserving evidence to prove a criminal offense, and to whom the alleged offense should be reported;

- Information on a student’s option to notify appropriate law enforcement authorities, including on-campus and local police, and a statement that District personnel will assist the student in notifying these authorities, if the student so requests;

- Information for students about existing on- and off-campus counseling, mental health, or other student services for victims of sex offenses;

- Notice to students that the District will change a victim’s academic situation after an alleged sex offense and of the options for those changes, if those changes are requested by the victim and are reasonably available;

- Procedures for District disciplinary action in cases of an alleged sex offense, including a clear statement that:
  
  1. The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding; and

  2. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding resulting from an alleged sex offense. Compliance with this paragraph does not violate the Family Educational Rights and Privacy Act. For the purposes of this paragraph, the outcome of a disciplinary proceeding means the final determination with respect to the alleged sex offense and any sanction that is imposed against the accused.

  3. A description of the sanctions the District may impose following a final determination by a District disciplinary proceeding regarding rape, acquaintance rape, or other forcible or non-forcible sex offenses.

In the cases of violent crimes with potential threat to other students and employees, the District will provide timely notice to the District community in a manner that will aid in the prevention of similar occurrences.

THE FEDERAL CAMPUS SEX CRIMES PREVENTION ACT
The State of California requires sex offenders to register with the police in the jurisdiction in which they reside. The State makes this information available to law enforcement agencies. The information is available to the public at the local police department. State law (October, 2002) also requires sex offenders to register with the YCCDPD if they are working at the College (including contractors) or attend classes. The Family Educational Rights and Privacy Act (FERPA) was also amended to make it clear that FERPA does not prohibit release of data on registered sex offenders under this law.

Megan’s Law allows the public to view information about “Serious” and “High Risk” sexual offenders that may be residing in their community. This enables the public to be aware of potential risks in their community. The public can then make informed decisions when taking safety precautions to protect themselves and their children from sex offenders. Visit the on-line sex offender registration web site at: http://meganslaw.ca.gov.

CRIME STATISTICS

Campus officials having responsibility for oversight of student activities, and relevant local agencies. YCCD officials participated in sanctioned training sessions in the spring and summer of 2012 on Clery Act compliance. Crime definitions are from the Uniform Crime Reporting (UCR) Handbook and sex offense definitions are from the National Incident Based Reporting System (NIBRS) edition of the Uniform Crime Reporting Program. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported. A written request for statistical information is made on an annual basis to all YCCD Deans, Directors, and known Campus Security Authorities.

All of the statistics are gathered, compiled, and reported to the YCCD community via this report. This information is available at the Yuba Community College District website at www.yccd.edu, Campus Safety. The YCCD authorities submit the annual crime statistics published in this report to the United States Department of Education (DOE). The statistical information gathered by the United States Department of Education is available to the public through the DOE website. https://ope.ed.gov/campussafety

Hate Crimes: Crimes that manifest evidence that the victim was intentionally selected because of the victim’s race, gender, religion, sexual orientation, ethnicity/national origin, or disability.

YCCD is required to report statistics for hate (bias) related crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug violations and/or illegal weapons possession and larceny, vandalism, intimidation, and simple assault, and any crimes involving bodily injury to any person.

Larceny: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.
